

Graduate Landscape Architect / Landscape Architect

Immediate appointment desirable.

Indigo is a design-led practice with a buoyant workload and a genuinely broad range of interesting projects and clients. Our purpose is to provide clients with intelligent and beautifully designed solutions in all aspects of landscape architecture through a passionate, knowledgeable and holistic approach.

We work from a superbly positioned office set within Salisbury's Cathedral Close (arguably the finest Cathedral Close in Britain) from where we have good access to London, the Midlands, the West Country, and the south coast; and where we are surrounded by the Cranborne Chase AONB, The New Forest, The Solent, and the South Downs National Park.

Our website www.indigolandscape.co.uk shows the diverse range of projects we work on throughout the whole of the UK, including major mixed use, leisure and commercial schemes, public parks, schools, public realm, masterplanning / urban design, LVIA's and residential developments at varying scales.

We have a position for an enthusiastic, proactive and genuinely talented landscape architect to grow with us.

Candidates will need to possess a full driving license and should demonstrate a broad range of skills and abilities including:

- A highly responsive, positive, friendly and collaborative attitude.
- Initiative and self-motivation.
- Excellent design flair and creativity, coupled with a practical approach.
- Good hand drawn ability and graphic skills.
- Excellent interpersonal skills and articulate communication in written and spoken English.
- Proficiency with AutoCAD, Adobe Photoshop and Adobe InDesign. Experience with SketchUp and Keyscape would also be beneficial.

The ideal candidate will have at least two years' strong, design-based experience, preferably more. We offer full support and mentoring for graduates wishing to undertake the LI Pathway to Chartership, coupled with highly appropriate projects to hone their skills.

The position represents an excellent long term career opportunity. The company's development is at a very exciting stage with ambitious goals for the future, and we see this role as being key to the ongoing development of the practice.

Indigo offer competitive salaries, great benefits, a friendly, sociable, open-plan office environment, a forward thinking approach, and lots of tea.

How to Apply

Please contact us for a full position description and more information about the practice and please send CV and work samples as one sensibly sized PDF directly to lucy@indigolandscape.co.uk.
